Wine List

Our wine list draws inspiration from the coastal regions of the world as well as wines typically known as classic seafood pairings.

Each bottle has been thoughtfully curated to pair throughout your entire meal.

Salud!

FEATURED BOTTLES:

ISLAND WINES

This month, explore our selection of island wines, where each bottle tells a story of its coastal origins.

From the volcanic soils of Sicily and the windswept terroirs of Corsica to the sun-soaked vineyards of Sardinia and the Canary Islands, these wines offer a distinctive sense of place.

Geographic isolation from the mainland means indigenous grapes thrive here, so several of our bottles may feature unique grape varieties and hopefully something new for you to discover!

Featured wines are highlighted in orange throughout the list!
