

Preface

Enclosed you will find a collection of wines to complement and enhance your dining experience. The juxtaposition of new and old is a running theme throughout the list, as noble grape varieties and classic winemaking techniques are complimented by lesser known, but nonetheless important, varieties and methods of production. At Moderne Barn, we believe that wine is a dialogue, so please join in the conversation. In addition to wine, you will find some equally enjoyable beers and spirits along the way. Each selection has been made with thoughtfulness and purpose, as an emblem of the talents and personalities of the farmers and producers behind them. We enjoy, respect, and admire these selections greatly. We hope that you agree.

The Spirit of New York

Though it once stood as a bustling hub of spirits production, New York lay dormant for nearly a century as a result of prohibition. In an area where spirits and a well made cocktail are so greatly enjoyed, a change was inevitable.

Thankfully in 2003, Tuthilltown Spirits in Gardiner, located in the heart of the Hudson Valley, began producing the first legal New York whiskey since prohibition. Made from 100% New York corn, the 'Hudson Baby Bourbon' ushered in a new era of hand crafted spirits that would change the beverage landscape in New York henceforth.

Now, an ever-increasing number of New York distilleries set the new standard for how we enjoy the cocktail, as these craftsmen and women produce superb, award-winning spirits from local grain, water and fruit. From the southernmost corner of Brooklyn, up the Hudson River, to the Finger Lakes and beyond, the culture of the cocktail has never been more exciting for New York and its visitors.

Think Local, Drink Local.
