

PRIVATE EVENTS

Bar Goto (Lower East Side) & Bar Goto Niban (Park Slope) are available for private cocktail-style events. All events are full bar buyouts -- we are not able to host semi-private parties or accomodate reservations for groups. **The maximum capacity is 40.**

Two- and three-hour events start at 5pm or 6pm. Four-hour events may be booked any time during our operating hours. The space must be cleared at the event end time to allow our team to reset to open to the public... sorry, we cannot make exceptions. If you think your guests might want to stay longer, please consider booking a longer event.

Note that events are priced by duration, not by number of guests or a minimum spend.

F&B: All events include an open bar and large share plates from our food menu.
