

PRIVATE EVENTS @ BAR GOTO & BAR GOTO NIBAN

Bar Goto (Lower East Side) & Bar Goto Niban (Park Slope) are available for private cocktail-style events. All events are full bar buyouts -- due to the layout of our space we are not able to host semi-private parties or accomodate reservations for groups. **The capacity at both bars is 40.**

Two- and three-hour events start at or before 6pm. Four-hour events may be booked any time during our operating hours.

All buyouts include open bar and share plates for up to 40 guests.
