# Frequently Asked Questions

## What does Family-Style mean?

Family-style is seated with coursed appetizers, sides and tacos. Family-style meals for groups of 17 or more ensures your guests and the remainder of the restaurant a seamless experience. Upon arrival, your chips and complimentary molcajete salsa will be on your table. The first course of appetizers will arrive shortly after everyone is seated, followed by the optional salad course. The tacos will come out in waves, one kind at a time as well as the two sides. The tacos are plated with four or five per plate. Your guests will serve themselves. After all three tacos have been enjoyed, individually plated desserts will be served if you decide to include dessert in your meal.

## What does Reception Style mean?

A reception style event is a cocktail party. We create a lounge-like ambiance, with limited seating allowing for the group to mix and mingle. Off to the side there will be a station with chips, salsa and other displayed items for your guests to serve themselves at their leisure. Tray-passed appetizers and tacos come out shortly after your guests' arrival. The tacos are served in small waves, which means they are hot and fresh when your guests receive them.

## What is the difference between exclusive and non-exclusive?

Exclusive is limited to only your group in a designated section or patio space. Non-exclusive events mean that there will be other restaurant guests present around your event. These types of events tend to cost less and are more readily available. Each location provides a variety of communal spaces, lofts, semi-private rooms or patios. Some locations require exclusive use of a space with reception style menus.

## How is the food and beverage minimum determined?

The biggest factor is the start time of the event. Second, is the size of the group and third is the space. Events beginning between 6 PM and 8 PM will have higher minimums as those are our peak dinner hours.

## Do you offer buffets?

We do not offer buffets; however, a reception style event is fairly close. This way, we guarantee our tacos are given to your guests fresh off the plancha. We are happy to discuss options of having additional items either on the displayed station or tray-passed to guests.

## When are my menu selections due?

Ideally, you'll email your menu selections within 10 business days of your event; however, we are flexible and can accommodate varying situations.

## When is my final guest count due?

Your final guest count is due three business days prior.

## Some of my guests have dietary restrictions. How can they be accommodated?

If you know ahead of time of any guests with vegan, vegetarian, gluten-free, or any other dietary restriction, we can make substitutions to provide them the same caliber of item as the remainder of the group. They will receive their own plate of food to avoid any confusion. Even if your guest doesn't let you know ahead of time, typically we can make adjustments at the time of your event. Either way, please ask your guests to identify themselves with the server to ensure the plates are given to the correct guests.

## Can we bring our own decorations?

Due to limited space, please connect with the Event Sales Manager to confirm other decor ideas.

## Can we bring our own desserts?

Yes! We charge an Outside Dessert Fee of \$3 per person, and we're happy to cut and serve your dessert if needed. Please let your Event Sales Manager know so we can set-up an extra table to display your items.

## Can I have a live band, amplified sound and/or a dancefloor?

Unfortunately, due to our liquor license conditions, we cannot. DJ's and other types of vendors may be allowed under certain specific circumstances. Please discuss with your Event Sales Manager to determine the possibilities.

## What is the difference between the 4.5% administrative fee and gratuity?

The 4.5% is an administrative fee for large parties to cover the costs of curating these events. It includes all special signage, menus, plateware and a small commission for our group dining managers. While the required 18% gratuity goes to the kitchen, support, and service staff for their efforts to go above and beyond for your experience, 20% is a suggested amount.

## How does the final payment work?

If you would like to use the same card that you provided for your deposit, we are happy to do so. At the end of the event, if you prefer to pay with a different credit card, please let the server know so the bill may be prepared accordingly.
