YOUR INSTRUCTORS

DIRTY LOLA (@DIRTYLOLA)

Dirty Lola has been part of the SHAG family since 2014, when she first started working at the Brooklyn boutique. Lola is a sex “edutainer”, speaker, and self-proclaimed dildo slinger. Recently she partnered with Netflix in a limited series called “The Principles of Pleasure;” a groundbreaking new health and wellness series that explores the forgotten legacy, emerging science, and candid stories of real women and pleasure. Lola is also known for her live sex-ed Q&A show Sex Ed A Go-Go and as a co-host of New York Magazine's The Cut's “Sex Probz” web series.

JAMIE JOY (@BADJEWBOY)

Jamie Joy (they/them) is a queer trans Jewish sex educator and hungry slut for freaky fantasies and kinky perversions. Their life and work is committed to spreading joy, pleasure, and consent through community organizing. They are always excited to connect with new friends; you can find them on Instagram @badjewboy

SHAG HAS WORKED WITH THE FOLLOWING SMALL PRODUCTION BRANDS TO CREATE YOUR GOODIE BAGS

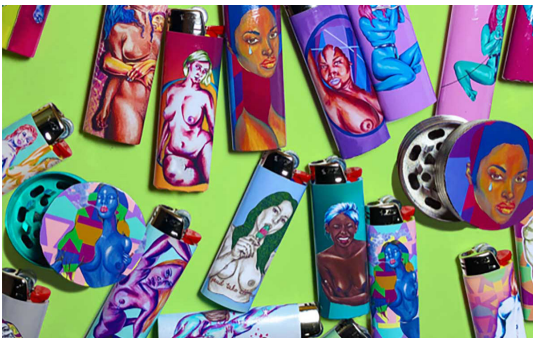

MOMOTARO (@LOVEMOMOTARO)

Momotaro Apotheca is a certified organic and cruelty-free vulvovaginal care line that supports your body's natural ability to heal. Our proactive plant-based products work gently yet effectively to systematically address symptoms associated with common vulvovaginal issues stemming from infection and general irritation without interfering with pH balance, hormones, pheromones, or medication.

FLINTTS MINTS (@FLINTTSMINTS)

Flintts Mints are quick-dissolving mints that make your mouth water and sparkle. Over time, Dry Mouth can cause serious oral health issues and the saliva that Flintts produces includes minerals to keep your teeth hard plus digestive enzymes that clean the surface of your mouth. Flintts can be used to combat Dry Mouth from anxiety, coffee, smoking and medication. Flintts have also developed a name in the sex industry as many people use them to build saliva before being intimate.

LAURALEE BENJAMIN (@LAURALEEBENJAMIN)

Femme erotic painter and illustrator from Queens, NY. "I have always been interested in the ways women harness and express their sexuality. In my work, I explore the connections between sex, love, lust, pain, revenge and control, based on my own experiences. I use images appropriated from pornography to hijack the patriarchal sentiments and flip them into feminist narratives. I hope that others, women in particular, can relate to the positive and negative emotions I'm trying to convey."

KANA COMPANY (@KANACOMPANY_)

Founded by Marylise "Kana" Uwabideli, Kana Company is a revolutionary force in women's adhesive undergarments. We go beyond just boob tape; we empower women with confidence and inclusivity. Our innovative products redefine comfort and support for all body types, ensuring every woman feels embraced and beautiful. Join us in reshaping the future of intimate wear – where diversity meets adhesive excellence.

SUTIL LUBE (@HATHORSUTIL)

Founders Mellta and Nathanda Swift believe that your lube should be as simple and natural as possible, void of harsh chemicals, parabens and glycerin. They always choose organic and ethical ingredients. Better ingredients for Better Lube. SUTIL lube brings slick long-lasting, non-sticky moisture to your play, with ingredients that soothe and balance the body to keep you in the mood. Their formulas include actives like hyaluronic acid, lotus root and Horny Goat Weed to give you lasting hydration with long-term benefits.
