SPUNTINO SELECTS

Grosjean

The Grosjean family traces its roots back to the village of Fornet in the high mountain passes of the Valle d’Aosta known as Valgrisenche where they raised cattle. The estate encompasses seven hectares of vineyards, and is located in the hamlet of Ollignan bordering the towns of Quart and Saint Christophe, and includes “cru” vineyard sites such as Tzeriat, Rovettaz, Creton and Touren in Quart. Bright and fragrant with notes of citrus and fennel, The Vigne Rovetta is made with 100% Petite Arvine grapes planted in the steep Rovettaz vineyard at 550-700 meters altitude, enjoying a full southern exposition. This is delicious, alpine wine. Enjoy!
