Champagne, France

Sommelier Selections

Champagne, in the northern pastoral plains of France, is home to some of the country's most dedicated grape growers. Created using the *methode champenoise* where a second fermentation takes place in bottle, a difference in grape, blend, vintage, or vineyard site can show a wide spectrum of wines. We think Champagne is refined enough for celebrations but shouldn't only be saved for special occasions! The following are three highlights of small grower producer Champagnes from a range of regions and styles.

0101 Egly-Ouriet Grand Cru Extra Brut NV

262

Egly-Ouriet is one of the original Grower Champagnes Wines, long before "Grower Champagne" was even part of the conversation. This bottling is a selection of older-vine fruit, 70% Pinot Noir and 30% Chardonnay, from the Gran Cru villages of Ambonnay, Verzenay and Bouzy, aged for three years in bottle. This Champagne is super expressive with aromas and flavors of red berries, blood orange and toast.

0158 Gosset Grand Millésime Brut 2016

340

Gosset Grand Millésime Brut 2016 is a vintage Champagne from the oldest producer in the region. A classic blend of 61% Chardonnay and 39% Pinot Noir from top villages like Aÿ, Ambonnay, Le Mesnil-sur-Oger, and Cramant, this is a structured, finely tuned Champagne that balances power and elegance.

0136 Drappier Brut Nature Zéro Dosage Rosé NV

192

This Rosé de Saignée embodies eight generations of the Drappier family's dedication to their historic grape, Pinot Noir. The wine reveals vibrant pink hues and a pure, aromatic fruit profile. It bursts with notes of fresh raspberry, redcurrant, blood orange zest, and crushed seashells. Lively and lacy in texture, with hints of blanched almond, grapefruit peel, pickled ginger, and a lingering, mouthwatering finish.

Sommelier Selections

Burgundy is home to the world's best Chardonnay. The region's most famous vineyards are located in the heart of Burgundy, the *Côte d'Or* or *Golden Slope*, but you can find something for everyone on our list. The styles here range from light and salty Chablis grown in the north, rich and textured whites from the Côte de Beaune around Meursault, and approachable round wines from the Mâcon. There's truly a bottle for everyone – even the “Anything but Chardonnay!” drinkers.

0203 Joseph Drouhin *Drouhin-Vaudon Chablis 2022* 84

A beautifully pure and elegant Chablis from one of Burgundy's most respected producers. The 2022 Joseph Drouhin Drouhin-Vaudon is classic Chablis with bright citrus, green apple, and subtle minerality.

0211 Domaine Jean Dauvissat Père et Fils Chablis 2023 112

Bright, crisp, and elegantly mineral-driven, the Domaine Jean Dauvissat Père et Fils Chablis 2023 showcases classic Chablis character. A beautifully balanced expression of terroir—perfect with seafood or on its own. The Dauvissat family has been cultivating vines in Chablis for generations, with Jean Dauvissat continuing the tradition of crafting precise, expressive wines from this historic region.

0235 Clos de la Chapelle *les Vignes Blanches Meursault 2022* 275

Bright, refined, and elegantly minerally On the nose, it opens with pure pear, toasty hazelnut, and subtle passion fruit overlaid with delicate iodine, white flowers, and a whisper of vanillin oak. The palate is bright and full-bodied, guided by a fine mineral undertow and zesty acidity, culminating in a long, precise, and balanced finish. A stellar Meursault village—already graceful and beautifully focused.

Sommelier Selections

Home to the longest river in France, the Loire Valley is one of the most exciting wine regions in Europe. On the Atlantic Coast, the grape Melon de Bourgogne is used to make salty whites that are perfect with oysters. Further down the river, Chenin Blanc dominates on clay soils with its honeysuckle florality and tart golden apple fruit. Inland, the Central Loire is home to Sancerre, with its limey freshness and racy acidity it is perfect as an aperitif or with light dishes.

0213 François de la Roche Sauvignon Blanc 2023 72

From the flinty clay soils of Touraine, this lively and zesty Sauvignon Blanc is the perfect white wine with seafood, salads, or on its own as an aperitif to get the evening started.

0268 Comte LaFond Sancerre 2023 124

Crafted by Domaine de Ladoucette, an estate founded in the 18th century, this Sancerre opens bright and fresh, rich with summer fruit. It finishes with lingering lemon and chalk, highlighting its refined mineral backbone.

0261 Isabelle Suire Saumur 2022 68

This is a crisp, dry, medium-bodied Chenin Blanc made by Isabelle Suire, a fourth-generation female winemaker from Berrie, near Saumur in the Loire. Isabelle took over her family domaine in 2007 and shifted focus to organic viticulture after working with biodynamic producers. She became president of Saumur's white wine association in 2021, where she connected with Loire wine legend Romain Guiberteau, further inspiring her organic approach.

Sommelier Selections

The United States is overflowing with wonderful wines. We like to highlight domestic regions that showcase grapes in cooler climates, like in Sonoma and Santa Barbara where you can feel the cool breezes off of the Pacific, or up in the high elevations of Mendocino where the Redwoods grow. Try an iconic wine from Willamette or something somewhat local from New York.

0334 Sandhi Chardonnay Sta. Rita Hills, CA 2022 88

One of the country's best sommeliers, Raj Parr started Sandhi winery to craft Burgundian varieties in the cooler sites of Santa Barbara, California. Elegant seaspray balances out with a classic California ripeness, this wine is perfect alongside roasted chicken or seafood.

0339 OO Wines VGW Chardonnay Willamette Valley, OR 2021 240

A precision-crafted Chardonnay from one of Oregon's most exciting producers. "VGW" stands for *Very Good White*, and it lives up to its name. The palate is elegant and focused, wrapped in a silky texture and finishing with a clean, flinty lift. Beautifully balanced and Burgundian in spirit, this wine shows both energy and depth.

0324 Sokol Blosser Pinot Gris Willamette Valley, OR 202 54

Sokol Blosser is a second generation winemaking family working with classic grapes and styles in the Willamette Valley. Pinot Gris, also known as Pinot Grigio in Italy, originated in Burgundy and excels on the West Coast. Really refreshing with almond blossom and a touch of bitterness, this Pinot Gris is a perfect aperitif.

Sommelier Selections

With a winemaking history that dates back 2,000 years and home to the world's most famous vineyards, Burgundy serves as a benchmark for style for its native grape, Pinot Noir. Spanning 30 miles south of Dijon, the Golden Slope, or, *Côte d'Or*, of Burgundy produces the most expensive wines in the world. Structure can be achieved in the northern villages near Gevrey-Chambertin, the village of Volnay exudes elegance, and a straightforward Bourgogne Rouge can be as delicious as any other Pinot Noir on the table.

0454 Jean Fery *Sous la Cabotte* 2022

153

A bright ruby-red wine with purple hues, offering enticing aromas of red and black fruits, elegantly complemented by notes of vanilla and well-integrated new oak. On the palate, it's fresh and vibrant, supported by well-structured, firm tannins that promise excellent aging potential. This single-vineyard Savigny-lès-Beaune punches well above its appellation.

0428 Armand Rousseau *Lavaux St. Jacques* 1er Cru 2021

750

Armand Rousseau is a legendary producer with some of the top vineyard holdings in Gevrey-Chambertin. This Premier Cru bottling from Lavaux St. Jacques is powerful and structured while still maintaining finesse.

0425 Caroline Morey Chassagne Montrachet 2022

256

A refined and elegant Pinot Noir from three hillside parcels in Chassagne. Aromas of red cherry, wild plum, rose petal, and subtle spice lead into a vibrant, medium-bodied palate. Fine-grained tannins and a mineral backbone provide structure and freshness, with a long, graceful finish.

Sommelier Selections

Situated on the mid-Atlantic coast of France around the Gironde river, Bordeaux is home to some of the most legendary wines on earth. In general, wines from the famed Left Bank are Cabernet Sauvignon driven and show power, structure, bolder tannins and dark fruit. Wines from the Right Bank are typically lush and softer thanks to the higher percentage of Merlot in the blends.

0504 Château Latour *Pauillac de Latour* Pauillac 2019 300

The 2019 Pauillac de Château Latour is the third wine of the esteemed First Growth estate, crafted from younger vines and parcels not selected for the Grand Vin or Les Forts de Latour. A classic Bordeaux blend of predominantly Cabernet Sauvignon with Merlot and a touch of Petit Verdot, it offers expressive notes of blackberries, cassis, and stewed plums, layered with hints of graphite, cedar, and subtle oak.

0521 Château Montrose Saint-Estèphe 2018 700

Château Montrose 2018 is a powerful, structured Bordeaux from Saint-Estèphe, offering notes of blackcurrant, plum, tobacco, and graphite with a long, refined finish. Founded in the early 1800s, the estate rose to prominence under the Charmolüe family and was revitalized by the Bouygues family after 2006. The 2018 vintage blends tradition and modernity, making it a standout wine.

0530 La Dame de Montrose Saint-Estèphe 2018 189

The second wine of Château Montrose is a major star in its own right. With dense tannins and concentrated black fruits, it has power and richness. The wine's potential, impressive for a second wine, is very evident in the structure.

RED WINE

France | Rhône Valley

Sommelier Selections

The Rhône Valley of France has two distinct parts; the Northern Rhône is a sliver of land on the bank of the Rhône River with steep granite slopes known for red wines made of Syrah, while the Southern Rhône fans out into a larger area with various soil types and Grenache dominant red blends. Northern Rhône Syrahs are some of the best wines for steak and grilled meats thanks to their smokiness and dark fruit while still maintaining freshness. Southern Rhône blends offer something for everyone, from juicy value-driven wines to historic benchmark producers.

0568 Romaneaux-Destezet (Hervé Souhaut) *Clos des Cessieux*

St. Joseph 2023

200

Hervé Souhaut works 5-hectares of old and ancient vines—between 50 to 100 years— opposite the famous hill of Hermitage. This is classic Northern Rhône Syrah from the heart of St. Joseph. Dark red fruits and savory elements of bacon fat are present, but they are subtle in comparison with the floral aromas jumping out of the glass. Les Cessieux is Hervé's most exuberant wines.

0580 Château de Beaucastel Châteauneuf-du-Pape 2006

500

A fantastic wine, the 2006 Château de Beaucastel Châteauneuf-du-Pape fleshes out with air and displays deep, earthy aromatics of dark fruit, roasted meat, graphite, mushroom and old wood. In the mouth, the wine displays a medium to full bodied, structured personality to go with a fantastic texture, concentrated fruit and a long finish.

Sommelier Selections

The rest of France has a ton of value and excitement for red wines. These selections from lesser known regions are simultaneously rustic and sophisticated and all undeniably drinkable.

0612 Domaine Guiberteau *Les Moulins* Saumur 2022 105

Romain Guiberteau is the fourth generation winemaker of Domaine Guiberteau and owns some of the best land in the Loire Valley. He was failing as a law student when he decided to take over the management of his family's vineyards. Le Moulins is 100% Cabernet Franc in an elegant and lifted style that shows bright red cherries with a touch of green herbs.

0655 Domaine de la Grand'Cour *Clos de la Gran'Cour* Fleurie 2022 115

The single vineyard Clos de la Grand Cour exemplifies the commune of Fleurie with lovely florals and tart red fruit. All the Dutraive wines are farmed organically, made with native yeast fermentations, and see no sulfur.

0659 Alex Foillard Brouilly Beaujolais 2022 112

Beginning at just 24 years old, Alex Foillard took a page from his famous winemaker father's book and garnered a finesse for working organically and naturally. The vines here are all 50 years in age planted in granite soils. A floral, deep, and concentrated wine from one of Beaujolais's rising stars.

Sommelier Selections

From iconic Napa Valley Cabs to cool climate Pinots and nouveau-French inspired field blends, we're excited to celebrate the dizzying and delicious spectrum of American wines.

0807 OO Wines Hyland McMinnville Pinot Noir 2021 420

The 2021 OO Wines Hyland Vineyard Pinot Noir is a rare, small-production wine from McMinnville, Oregon, praised for its elegance and aging potential. It features vibrant flavors of red and black berries, citrus zest, rose petals, white pepper, and subtle minerality, all wrapped in a silky texture with fine tannins.

0763 Heitz Cellars Cabernet Sauvignon 2021 248

Elegant and vibrant, with flavors of blackberry, currant, chocolate, and savory herbs. It has fine tannins, bright acidity, and a polished, balanced structure. As a core estate-level bottling, it captures Napa Valley's classic Cabernet expression and offers excellent aging potential.

0700 Chappellet Mountain Cuvée Cabernet Sauvignon Blend 2023 164

This wine delivers deep, dark fruit flavors of blackberry and cassis, layered with notes of cocoa and vanilla. Its firm tannins and smooth finish provide a structured, yet approachable experience.
