Sommelier Selections

Champagne, in the northern pastoral plains of France, is home to some of the country's most dedicated grape growers. Created using the *methode champenoise* where a second fermentation takes place in bottle, a difference in grape, blend, vintage, or vineyard site can show a wide spectrum of wines. We think Champagne is refined enough for celebrations but shouldn't only be saved for special occasions! The following are three highlights of small grower producer Champagnes from a range of regions and styles.

0101 Egly-Ouriet Grand Cru Extra Brut NV 262

Egly-Ouriet is one of the original Grower Champagnes Wines, long before "Grower Champagne" was even part of the conversation. This bottling is a selection of older-vine fruit, 70% Pinot Noir and 30% Chardonnay, from the Gran Cru villages of Ambonnay, Verzenay and Bouzy, aged for three years in bottle. This Champagne is super expressive with aromas and flavors of red berries, blood orange and toast.

0124 Vincey *Le Grand Jardin - Oger* Grand Cru Blanc de Blancs Brut 2015 326

Le Grand Jardin is an opulent and rich expression of 100% Chardonnay from the Grand Cru vineyard site of Oger. Crafted by 8th Generation grower Quentin Vincey, this Champagne is fermented and aged in oak casks before bottling nearly five years after harvest.

0127 Pierre Peters *Cuvée de Réserve* Grand Cru Blanc de Blancs Brut NV 200

Pierre Péters Cuvée de Réserve is a zesty, all-Chardonnay Champagne from top Grand Cru vineyards. Think crisp citrus, green apple, and a splash of minerality, all wrapped in fine bubbles — perfect for oysters or just celebrating something (or nothing) at all.

Burgundy is home to the world's best Chardonnay. The region's most famous vineyards are located in the heart of Burgundy, the *Côte d'Or* or *Golden Slope*, but you can find something for everyone on our list. The styles here range from light and salty Chablis grown in the north, rich and textured whites from the Côte de Beaune around Meursault, and approachable round wines from the Mâcon. There's truly a bottle for everyone - even the "Anything but Chardonnay!" drinkers.

2025 Joseph Drouhin *Drouhin-Vaudon* Chablis 2022 84

Sourced from vineyards all over Chablis, the Drouhin-Vaudon Chablis is a pure snapshot of the region. Classic and lean with seaspray saltiness, you can't beat a bottle of this with our oysters.

0211 Dominique Lafon Bourgogne Blanc 2022 136

Dominique Lafon, of the famed Meursault estate Domaine de Comtes Lafon, bottles some of the most classic and elegant styles of Chardonnay in the region's upper slopes under his own label. This wine is restrained and mineral driven given the higher elevations and cooler microclimates, and a great value to try a bottle from such an esteemed winemaker.

0244 Olivier Leflaive *Champlots* Saint Aubin 1er Cru 2021 280

Saint-Aubin is located in the heart of the Côte des Beaune in Burgundy's Côte d'Or, right between Chassagne-Montrachet and Puligny-Montrachet and southwest of Meursault. Olivier Leflaive's *Champlots* bottling is sleek and flinty with just enough richness to please everyone at the table.

Sommelier Selections

Home to the longest river in France, the Loire Valley is one of the most exciting wine regions in Europe. On the Atlantic Coast, the grape Melon de Bourgogne is used to make salty whites that are perfect with oysters. Further down the river, Chenin Blanc dominates on clay soils with its honeysuckle florality and tart golden apple fruit. Inland, the Central Loire is home to Sancerre, with its limey freshness and racy acidity it is perfect as an aperitif or with light dishes.

0276 Champalou *Les Fondraux* Vouvray 2023 80

A wildly delicious and super balanced Vouvray from an expert wine making couple, this bottle of Chenin Blanc is a knockout. Les Fondraux has bracing acidity with a kiss of honey to make it a perfect food pairing wine at the table.

0277 Domaine du Nozay Sancerre 2023 124

The 2024 Domaine du Nozay Sancerre embodies classic Loire elegance—crisp, mineral-driven Sauvignon Blanc from biodynamically farmed vineyards and a 17th-century château that's both heritage and hands-on

0285 Brendan Stater West *Brézé* Saumur 2020 149

American expat Brendan Stater West moved to France to teach English but fell in love with wine while living in Paris. He was able to convince Romain Guiberteau of Chenin Blanc fame to train under him, and the rest is history. This bottling of 100% Chenin Blanc is a touch round with golden apples and perfectly developed due to a few years of bottle age, yet it still maintains the focused acidity that the region is famous for.

Sommelier Selections

The Golden State is overflowing with wonderful wines. We like to highlight regions that showcase grapes in cooler climates, like in Sonoma and Santa Barbara where you can feel the cool breezes off of the Pacific, or up in the high elevations of Mendocino where the Redwoods grow. Here are a few of our favorites.

0312 Lieu Dit Sauvignon Blanc Santa Ynez Valley 2022 60

Racy, zesty, and a little bit salty, this Sauvignon Blanc from Santa Barbara is perfect with chilled seafood as an aperitif or to share at the table with salads.

0328 Lioco *Estero* Chardonnay Russian River Valley Sonoma County 2022 125

One of our favorite producers in California, Lioco never fails to deliver an incredible bottle at a great price. Estero is a selection of three vineyard sites blended together and raised in stainless steel to provide a lively version of the traditional Russian River Valley Chardonnay.

0302 Isa Wines *Claire Annelise* Mee Vineyard Sauvignon Blanc Mendocino 2023 98

Expressive and juicy, this single vineyard Sauvignon Blanc from Mendocino stopped us in our tracks. Isa's Isabella Morano has trained under some of the best winemakers in the country and in Italy and is leading a new charge of natural winemaking in California.

Sommelier Selections

With a winemaking history that dates back 2,000 years and home to the world's most famous vineyards, Burgundy serves as a benchmark for style for its native grape, Pinot Noir. Spanning 30 miles south of Dijon, the Golden Slope, or, *Côte d'Or*, of Burgundy produces the most expensive wines in the world. Structure can be achieved in the northern villages near Gevrey-Chambertin, the village of Volnay exudes elegance, and a straightforward Bourgogne Rouge can be as delicious as any other Pinot Noir on the table.

0454 Jean Fery *Sous la Cabotte* 2022 153

A bright ruby-red wine with purple hues, offering enticing aromas of red and black fruits, elegantly complemented by notes of vanilla and well-integrated new oak. On the palate, it's fresh and vibrant, supported by well-structured, firm tannins that promise excellent aging potential. This single-vineyard Savigny-lès-Beaune punches well above its appellation.

0485 Domaine Bruno Clair *Les Vaudenelles* 2022 227

A hidden gem from one of the Côte de Nuits' most quietly brilliant producers. Les Vaudenelles is a single-site expression that delivers the clarity, structure, and savory depth Burgundy lovers chase. The 2022 vintage brings ripe yet refined fruit, balanced by a mineral backbone and silky tannins.

0428 Armand Rousseau *Lavaux St. Jacques* 1er Cru 2021 750

Armand Rousseau is a legendary producer with some of the top vineyard holdings in Gevrey-Chambertin. This Premier Cru bottling from Lavaux St. Jacques is powerful and structured while still maintaining finesse.

Sommelier Selections

Situated on the mid-Atlantic coast of France around the Gironde river, Bordeaux is home to some of the most legendary wines on earth. In general, wines from the famed Left Bank are Cabernet Sauvignon driven and show power, structure, bolder tannins and dark fruit. Wines from the Right Bank are typically lusher and softer thanks to the higher percentage of Merlot in the blends.

0508 Château Cantenac Brown Margaux 2019 325

Château Cantenac-Brown is a Third Growth estate in the commune of Margaux, one of the iconic regions on the Left Bank. The beautiful estate is well over 40 hectares planted mostly to Cabernet Sauvignon and Merlot. This bottle is a classic example of a fine Margaux: fragrant, perfumed yet balanced and elegant on the palate.

0521 Château Montrose Saint-Estèphe 2018 700

Château Montrose 2018 is a powerful, structured Bordeaux from Saint-Estèphe, offering notes of blackcurrant, plum, tobacco, and graphite with a long, refined finish. Founded in the early 1800s, the estate rose to prominence under the Charmolüe family and was revitalized by the Bouygues family after 2006. The 2018 vintage blends tradition and modernity, making it a standout wine.

0516 Echo de Lynch Bages 2020 180

Echo de Lynch-Bages is the second wine from the famous Lynch-Bages estate in Pauillac, on Bordeaux's Left Bank. Made mostly from Cabernet Sauvignon and Merlot, it's rich and structured with notes of dark fruit and a hint of graphite. The 2020 vintage is smooth, bold, and a great way to enjoy classic Pauillac character.

Sommelier Selections

The Rhône Valley of France has two distinct parts; the Northern Rhône is a sliver of land on the bank of the Rhône River with steep granite slopes known for red wines made of Syrah, while the Southern Rhône fans out into a larger area with various soil types and Grenache dominant red blends. Northern Rhône Syrahs are some of the best wines for steak and grilled meats thanks to their smokiness and dark fruit while still maintaining freshness. Southern Rhône blends offer something for everyone, from juicy value-driven wines to historic benchmark producers.

0572 François Villard *L'Appel des Sereines* Syrah 2022 68

François Villard's *L'Appel des Sereines* Syrah is a vibrant and expressive red wine from the Northern Rhône, crafted entirely from Syrah grapes. Sourced from young vines planted on granite soils, this wine showcases the region's terroir. On the palate, it is fresh and juicy with supple, fleshy tannins, offering a balanced structure and a persistent, flavorful finish.

0610 Franck Balthazar 2023 69

A blend of Syrah and Grenache from organically farmed vineyards. Bursting with bright red and black fruits, floral notes, and a hint of spice, it's fresh, juicy, and elegant with fine tannins and a slate-like finish. Unfined, unfiltered, and fermented with native yeasts.

0590 Domaine de la Solitude *Barberini* 2021 183

The 2021 Domaine de la Solitude Barberini is a refined Châteauneuf-du-Pape red blend, offering deep flavors of dark berries, spices, and a touch of oak from careful barrel aging. It's smooth and elegant on the palate, with a rich, full-bodied structure that finishes long and gracefully.

Sommelier Selections

The rest of France has a ton of value and excitement for red wines. These selections from lesser known regions are simultaneously rustic and sophisticated and all undeniably drinkable.

0612 Domaine Guiberteau *Les Moulins* Saumur 2022 105

Romain Guiberteau is the fourth generation winemaker of Domaine Guiberteau and owns some of the best land in the Loire Valley. He was failing as a law student when he decided to take over the management of his family's vineyards. Le Moulins is 100% Cabernet Franc in an elegant and lifted style that shows bright red cherries with a touch of green herbs.

0655 Domaine de la Grand'Cour *Clos de la Gran'Cour* Fleurie 2022 115

The single vineyard Clos de la Grand Cour exemplifies the commune of Fleurie with lovely florals and tart red fruit. All the Dutraive wines are farmed organically, made with native yeast fermentations, and see no sulfur.

0653 Alex Foillard Brouilly Beaujolais 2020 96

Beginning at just 24 years old, Alex Foillard took a page from his famous winemaker father's book and garnered a finesse for working organically and naturally. The vines here are all 50 years in age planted in granite soils. A floral, deep, and concentrated wine from one of Beaujolais's rising stars.

Sommelier Selections

From iconic Napa Valley Cabs to cool climate Pinots and nouveau-French inspired field blends, we're excited to celebrate the dizzying and delicious spectrum of American wines.

0712 Las Jaras *Glou Glou* 2022 65

Named after a cheeky French term for highly-drinkable wines, Glou Glou (*glug glug!*) is the perfect red for a crowd. This is a blend of Zinfandel, Carignan, Valdigué and Sangiovese grown in Mendocino, Northern California. Most of the grapes underwent carbonic maceration, the classic fermentation method of the Beaujolais, ensuring a fruity and fresh red that won't last long around the table.

0722 Frog's Leap Cabernet Sauvignon Napa Valley, CA 2020 300

Frog's Leap is an iconic producer in the Rutherford district of Napa Valley crafting wines in the old-school California style. Dry farmed vines, biodiversity, year-round vineyard staff, and a biodynamic farming approach are all reasons this sustainable Cabernet is consistently one of Napa's best.

0810 Fullerton *Summit View* Cabernet Sauvignon 2021 130

Family-owned and operated, Fullerton mainly focuses on Pinot Noirs from the Willamette Valley. Their first foray into Cabernet Sauvignon from Walla Walla had impressed us with its power, structure, and intensity of fruit. A great value for a classic Cabernet aged in 100% new oak barrels!
