TACO'BOUT US

Blue Plate Taco is a clean-coastal approach to Mexican cuisine. Inspired by the farms and beautiful ocean landscape of Baja, our food is colorful, light and fresh. Our artisanal cocktail program complements the food with our house made agua frescas and juices.

Take in the Pacific Ocean view, cool breezes and take-me-away ambiance while celebrating special occasions and gatherings with our acclaimed hospitality.

There is something for everyone - many of our options are gluten-free, nut-free and vegan. We have several spaces to choose from.

INDOOR SPACE

Our indoor dining space is in the middle of the action! Bartenders are shaking up the freshest margaritas in Santa Monica, sizzling fajitas reminiscent of your favorite restaurants in Baja, and an intimate, festive setting.

The dining room is completely glassed in so the Pacific is still visible and it feels expansive. Best for smaller groups that don't require too much privacy and prefer the action of an open kitchen and busy bar. A television is over the bar for any AV needs or to put on the game!
