For the ones who dream
with their eyes open

From nostalgic memories to imagined adventures, these cocktails capture the moods of the mind at rest—but never still. Each drink is rooted in a daydream theme, blending flavour, feeling and fantasy into something quietly extraordinary.

ESCAPING TO ANOTHER PLACE

A sip that'll take you back. Drift into a memory that you can't quite remember but somehow know. Past flavours, scents and interactions, where long forgotten memories come back alive.

19

STILLNESS IN MOTION

Four Fox Saké | Roku Gin | Ume Vinegar | Kumquat oil

A quiet rush beneath sakura skies. Japan by bullet train: precise, poetic and gone before you can catch your breath.

SOMEWHERE BETWEEN LUST & LOVE

The fizz of a text at midnight. A glance held too long. A summer romance you still think about. These are the cocktails of reckless whispers, fleeting lovers and rose-coloured memories. Risky? Maybe. But tell us you didn't love every second.

The background is a collage of various geometric shapes and textures. It includes a large dark red semi-circle at the top left, a bright orange triangle at the top right, and several other shapes in shades of beige, tan, and light orange. There are also two horizontal brushstrokes in a golden-yellow color, one near the top right and one near the bottom center. The overall style is modern and artistic.
