FAQ

San Francisco: A 4% surcharge will be added to your check to help cover the cost of the SF Mandate Fee.

What can I expect when ordering from Brasa Bros?

Our food is prepared to order, it is intended to be served either hot or cold, depending on the dish. Service charge includes our packaging. Menu prices may vary depending on seasonal availability. Our food is packaged in aluminum catering trays, each with the proper menu item.

When should I place my order?

You are welcome to place your catering order as far out as you like! We do ask that all orders be finalized at least 48 hours before event. Holidays are subject to change.

Can I change my order once it has been placed?

Yes, although with some restrictions, if your order was placed on ezcater or caviar websites please contact them directly to make any changes, since your payments have been processed through their systems. Any changes to your order must be made at least 24 hours in advance to your scheduled order, any orders already being prepared will not be subject to a refund.

If your order was placed over the phone with our staff, a manager on duty will have to approve any changes.

What is your cancellation policy?

Cancellations for a full refund can be made before 5:00 pm the day before a scheduled order. If a cancellation is made AFTER 5:00 pm before a scheduled order then we can make a refund of up to 50% of the total order.

If the cancellation is made at 12:00 am (or after) the day of your scheduled order, Brasa Bros reserves the right to charge your credit card up to 100% of the total order.

Please submit by calling us directly to the restaurant to cancel any orders

What type of payment do you accept?

We accept all major credit cards or cash (only when visiting our locations in person). We do not accept personal checks. Payment is due upon placing your order, or up to two days before the scheduled order if ordering in advance of more than 2 weeks. If we do not receive full payment two days before the pick-up or delivery time or are unable to process your credit card for payment, your order will not be fulfilled.

Is gratuity automatically added to my order?

We do not automatically add gratuities to catering orders. We are often asked if tipping is customary to which we respond that some customers do and others don't. The matter is up to you. Gratuities are shared among all who helped prepare and execute your order and are greatly appreciated!
