At Calissa, our wine list is a reflection of our heritage and our curiosity – rooted in the Mediterranean, but unafraid to wander.

You'll find rare Greek varietals beside cult Burgundy, grower Champagne and Assyrtiko from windswept islands, and, above all, wines made with reverence, not pretense. We favor producers who farm with integrity and soul.

From a glass of cozy red in the Calissa Chalet to a storied vintage for the table, our cellar is built to surprise – and to seduce.
