At Calissa, our wine list is a reflection of our heritage and our curiosity – rooted in the Mediterranean, but unafraid to wander.

You'll find rare Greek varietals beside cult Burgundy, grower Champagne beside Assyrtiko from windswept islands, and wines made with reverence, not pretense. We favor producers who farm with integrity and pour with soul.

From a glass of rosé at aperitivo hour to a storied vintage for the table, our cellar is built to surprise – and to seduce.
