## THE RED SAUCE JOINT OF YOUR DREAMS

**WHEN LIFE THROWS TOMATOES YOUR WAY.....**

**you make red sauce!** Coccozza American Italian is the brainchild of Patrick & Deni Reilly and the team behind The Majestic Grille. What began on the Majestic patio in 2020 as a pop-up ghost restaurant to get through pandemic doldrums, Coccozza immediately found its way into the hearts & stomachs of its fellow Memphians. It now serves up your favorite red sauce comfort foods seven nights a week in two brick & mortar locations - Downtown's Harbor Town & a newly opened location in the Arlington Park Neighborhood in East Memphis.

Interested in hosting a red sauce party outside the office? Coccozza is available for group lunches M-F. Contact our catering manager for details.
