

WELCOME TO NOE

Thank you for joining us!

Noe's cocktail program is an exquisite blend of artistry and innovation. Treating the bar as an extension of the kitchen, Noe meticulously selects wines and beers based on their unique qualities and compatibility with a wide array of dishes. This thoughtful approach is elevated even further in the creation of cocktails. At Noe, raw ingredients are transformed through the careful crafting of syrups, bitters, and tinctures, culminating in a drink list that is both dynamic and refined. The cocktails not only mirror the changing seasons but also highlight rare and intriguing spirits throughout the year. Like a well-seasoned dish, each cocktail strikes a harmonious balance between sweet and sour, power and finesse
