*Stuffed pasta fillings are developed on a proprietary basis. See Below:

Proprietary pasta development:

1. Bring either a pre formulated recipe, concept or idea to our test kitchen.
2. We will work with you to finalize the recipe for our production.
 - a. Initial consultation is billed at \$50 per hour plus the cost of any ingredients.
3. Once the recipe is locked in we will begin production of your pasta.
4. It will then be available for twice per week delivery.
