private dining:

be our guest

Since the beginning, Mezze has been rooted in creating warm, contemporary gathering spaces where food, drink, and meaningful connection come together around the table.

The Green Room, accommodates a maximum of 25 seated guests (seasonal availability) with a privacy curtain to maintain intimacy.

Our menus draw from Mediterranean flavors shaped by the Berkshire growing season, accompanied by a beverage program centered around coastal varietals, natural wines, classic to seasonal cocktails, and non-alcoholic offerings.

Our service team thoughtfully guides the flow of the event while creating space for guests to gather, celebrate, and enjoy time together naturally.
