

CASPIAN'S

ROCK & ROE

Caspian's rewrites the rules on refined. Hidden behind a picturesque caviar bar lives the bustling hideaway for serious rock fans, featuring emphatic live music nightly and just the right amount of mischievousness. A speakeasy shrouded in mystery, Caspian's blends music, elegance, stealthiness, and a thriving electric pulse. As boisterous energy fills the room, guests can sip on elusive spirits new to the market, perfectly poured drinks exclusive to Caspian's, or just a damn good cocktail without the frills. Located in Caesars Palace, where the likes of The Killers, The Who, Madonna, and Stevie Nicks have performed, Caspian's adds to the rebellious legacy one gin, one vodka, and one guitar riff at a time. The Las Vegas live music scene will never be the same. At Caspian's, inhibitions are out, and defiance is in.
