

# MR FISH

## GROUP DINING & BUYOUTS

Mr. Fish is your laid-back seafood spot at the north end of Pike Place Market—perfect for fun, fuss-free celebrations. Gather friends, family, or colleagues for Seattle’s best crispy beer-battered fish & chips, rich clam & bacon chowder, fresh oysters, and Dungeness crab, all with the Market’s buzzing energy as your backdrop.

Mr. Fish hooks you up with roomy indoor and sun-soaked patio seating, or make the place yours with a full buyout for good vibes and great seafood.

Belly up to the Buoy Bar for specialty cocktails, local wines, and ice-cold pints—the perfect pairing before or after exploring the sights, sounds, and flavors of Pike Place Market
