History

For many years, Mamma Maria has built a unique reputation for distinctive and memorable private events. The five dining rooms in our 19th century brick townhouse have hosted receptions for numerous Fortune 500 executives and their companies, as well as many local and prominent families.

Equally important is the trust placed in Mamma Maria to preside over many special moments in the everyday lives of our guests -- a proposal of marriage, a wedding rehearsal dinner, a surprise milestone birthday party, or a silver anniversary party for parents.

The most unique feature of Mamma Maria is its residential and historical character. Diners have the option of proceeding down a parlor-level hall to our Rossini and Puccini dining rooms, or else up a winding staircase to the Verde, Piccolo and Terrazza dining rooms. Mamma Maria is really five distinct dining areas -- ranging in size from a one-table private enclave for four, to a large dining room which, along with an adjoining terrace, can accommodate up to 70 diners. Complete buyouts for up to 125 can also be arranged.

Another memorable feature of Mamma Maria is the wonderful and striking view of downtown Boston. Our restaurant sits on a small hill overlooking the city. Floor-to-ceiling windows reveal a dramatic panorama contrasting the Boston skyline with the cobblestones of North Square -- the oldest public square in America -- and home to many pivotal figures in American history: Cotton Mather in the 17th century, Paul Revere in the 18th, Charles Dickens and Honey Fitz in the 19th century and Rose Kennedy in the 20th century.

Most importantly, the nationally acclaimed cuisine at Mamma Maria balances authenticity with a commitment to the guiding principle of Italian cuisine, a reliance on local markets. We focus exclusively on the bounty of foods grown and raised here in New England; showcasing them through seasonally appropriate regional Italian dishes. In the fall and winter, our menu -- reflecting the harvest and cooler weather -- focuses on northern Italian and mountain dishes. In the summer, our menu veers to the south - allowing us to highlight the abundance of local produce and the diverse seafood market.

*"I just wanted to thank you so, so much for everything you've done over the last few months. You really worked with me to use the two spaces appropriately and to come up with the perfect spring luncheon menu. My bridal shower was absolutely the best day ever. The rooms were set up perfectly; the staff was incredibly friendly, professional, and dressed so nicely for the occasion. The menu was out of this world, and everyone was raving about every single dish. I think we were all eating off of each other's plates just to get a bite of everything! The compliments are flowing in from family and friends saying the ambiance, the flowers, the service, everything was top notch.
So please accept a million thank you's from my family and I, and please extend my notes to the staff that worked the event. "*
