BRAZILIAN STEAKHOUSE

Thank you for considering our establishment for your lunch or dinner party. Churrascaria Plataforma is a churrasco-style restaurant, a dining method that originated in southern Brazil in the early 1800s. In this style, a variety of meats are served in succession directly at your table. Our selection includes various cuts of beef (top sirloin, baby beef, top round, prime beef hips, short ribs, ribeye, filet mignon), pork (pork ribs, sausage, pork loin), chicken (chicken legs, chicken hearts), lamb, and seafood.

Your meal begins with a visit to our Gourmet Island, offering an extensive selection of the freshest vegetables and an array of flavorful composed salads and hot dishes. Shareable side dishes, such as rice, black beans, French fries, fried yucca, caramelized bananas and vegetables, are served family-style.

The highlight of your dining experience begins when you flip your coaster-sized “chip” from red to green, signaling to our meat cutters that you are ready to be served.
