What Would You Like For Dinner?

A man sitting on the sofa watching TV when he heard his wife's voice from the kitchen. "What would you like for dinner, love? Chicken, beef or lamb?" He said, "I'd love chicken, thank you." She replied, "You're having soup. I was talking to the cat."

Congratulations to Frank Siedall of Warminster, winner of our Dinner for Two at Maggio's drawing, entered simply by completing a comment card. Want to win? Ask your server for a comment card, fill it out, and leave it on the table.
