The MAGGIO MUNCHER

WANT AN AMAZING THANKSGIVING MEAL WITHOUT ALL THE WORK?

I don't know about you, but I spend a lot of time planning my Thanksgiving meal. I make a long list of everything I need, remember to order my fresh turkey in advance so we don't end up with a frozen one, go to the supermarket to pick up all of the ingredients & then run to pick up the turkey. On Thanksgiving morning, I have to get up really early in the morning to get the bird in the oven and prepare the rest of the meal. By the time my company arrives, I am totally pooped! I'm ready for bed before the fun part of the day begins!

So I finally figured out that since the chefs at Maggio's are preparing everyone else's Thanksgiving meals to go anyway, they can prepare mine too. And now I can actually enjoy dinner with my family. It's a wonderful thing!

If you'd like to save yourself a lot of work and enjoy your company for a change, why not do the same?

FUNNY THANKSGIVING STORIES

Toilet Taters

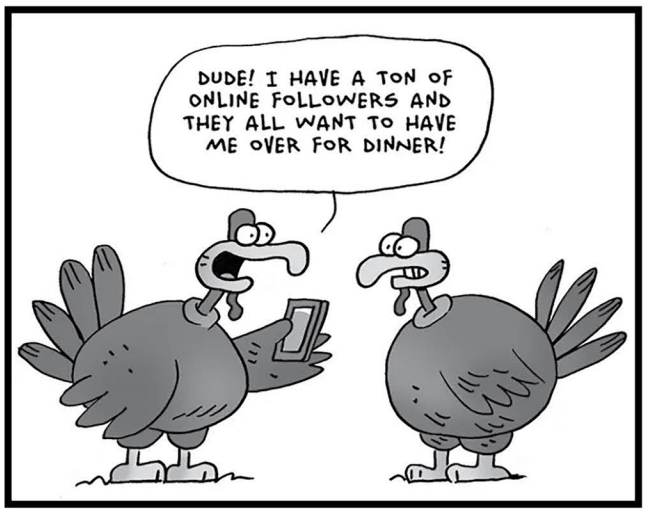

Uncle Bob boiled a huge batch of potatoes, drained them in the bathroom toilet (thinking it was a convenient basin), and casually served them to the family.

The Purple Puppy

Tina Koenig's puppy, Slugger, snuck into the kitchen and devoured two wrapped Thanksgiving pies, turning the dog bright purple from head to tail.

The 7-Eleven Feast

Eric's attempt to use a backyard smoker went completely sideways when the smoker caught the house on fire, forcing the entire family to celebrate Thanksgiving with a gourmet spread from the local 7-Eleven.

THANKSGIVING HACKS

Spatchcock Your Turkey

Cut out the backbone and flatten the bird so it cooks faster and stays juicier

Keep Mashed Potatoes Warm

Make them ahead of time and hold them in a slow cooker on the "warm" setting cooks faster and stays juicier

Store Gravy In A Thermos

Pour finished gravy into a clean thermos to keep it piping hot without taking up precious burner space on the stove.

Grate Frozen Butter

Skip the struggle of cutting cold butter into pie or biscuit dough by running frozen sticks through a cheese grater

Use An Ice Chest As A "Hot Box"

Heat foil-wrapped bricks in the oven, place them on towels inside a clean cooler, and use it to keep sides warm or free up fridge space.

HAPPY THANKSGIVING!!!
