

# BRIGHTSMITH

## ON THE WATER

Inspired by the artisan makers at the heart of Birmingham's world-renowned Jewellery Quarter.

Traditionally the 'Brightsmith' was the crafter specialising in highlighting the beauty of the 'bright' metals, silver, brass and tin.

We aim to encapsulate the attention to detail & requirement for quality of these crafts-people within our dining experience.

Creating a menu of unique, mouthwatering and beautiful dishes, all set within our stylish restaurant, overlooking Pendigo Lake.
