HANK'S
PRIVATE DINING
MENUS

The image shows the interior of Hank's Seafood Restaurant, focusing on the bar area. The bar is U-shaped with a dark wood base and a light-colored countertop. Several high-top bar stools with dark frames and light-colored seats are lined up along the bar. In the background, there is a well-stocked bar with various bottles of liquor and glasses. The ceiling is dark with several round pendant lights hanging from it. The overall atmosphere is warm and sophisticated.
