Chef Gavin Kaysen's locally inspired menu is rooted deeply in the Mediterranean and harnesses techniques and flavors that transport you to coastal destinations. Minneapolis becomes the Mediterranean and dining dreams become reality.

MEET CHEF GAVIN KAYSEN

Gavin Kaysen is a Minneapolis native and a James Beard Award-winning chef known for creating popular local experiences including Spoon and Stable, Bellecour Bakery at Cooks, and Demi. His vision for a distinctive Mediterranean-inspired restaurant and street-front café came to life in June 2022 with Mara Restaurant and Bar as well as Socca Café. This collaboration with Four Seasons Hotel Minneapolis is a full-circle moment for Chef Gavin, who previously opened Café Boulud at Four Seasons Hotel Toronto with Chef Daniel Boulud.

"When I lived in Switzerland, I would take the train to Southern France and spend time in areas around the Mediterranean Sea. I'd see families and friends connecting over a meal and sparking conversation and I fell in love with the lifestyle and the cuisine of the small villages. I've dreamed of opening a restaurant with roots in the region and I'm grateful to partner with Four Seasons to make this happen. It's a brand that evokes travel, curiosity, and craftsmanship—all of what I remember when I think of that time in my life and the adventures I had there. I still have my journals from those moments and I've tapped into them when thinking about the design, the menu, and the overall experience."
