THE STORY

Clark Crew BBQ is an Oklahoma-based World Champion BBQ Team.

After attending a BBQ competition in 2012 as a spectator with my family, I decided I wanted to begin competing. When we began brainstorming team names, "Crew" just fit - as that's what we are. We quickly started conquering the BBQ world as Clark Crew BBQ.

Clark Crew BBQ has won over 700 Top 10 Awards, along with World Championships, The American Royal, The Jack Daniels, 2x National Team of the Year, and multiple Oklahoma Team of the Year titles. We've cooked on some of the biggest stages against some of the best teams in the world. Winning is what drives me every day and what makes having you join us at Clark Crew BBQ so exciting.

Fierce competition forced us to perfect our craft, and the awards don't come without consistency. At Clark Crew BBQ, you can expect a world-class experience each and every time you walk through our doors.

While you're here, sit back, let us take care of you, have fun, eat, drink and remember...

"Never eat a skinny man's BBQ."
